a sequenced walk with realistic buffers, recovery points and a finish that does not send you back across the city.

Florence | route | Flexible full day | Mostly flat | Free route

Low-Energy Florence · terra-route.com

Route steps

1 **Santa Maria Novella**
Begin with Santa Maria Novella; it gives the clearest orientation before the day becomes crowded.

2 **Mercato Centrale**
Make Mercato Centrale the main commitment. Verify official access, tickets or opening hours before fixing the rest.

3 **Biblioteca delle Oblate**
Use Biblioteca delle Oblate to lower the pace. It should absorb delay, hunger or weather rather than create a second deadline.

4 **Ponte Vecchio**
Finish at Ponte Vecchio. If energy drops, this is the stop to protect while trimming earlier extras.
