Why stop here

Woodland paths beyond the centre; check terrain and daylight.

A useful visit

Allow for uneven paving, slopes and exposed sections. Bring water and choose a cooler part of the day in hot weather. Check gates and return transport; an outdoor site is not necessarily open at all hours. Plan the journey from the historic centre as a separate part of your visit, including the return uphill where relevant. Do not rely on an unconfirmed taxi or bus. Leave daylight for the return and check the route before setting off.
