Why stop here

A climb to San Francesco, with views towards Florence.

A useful visit

Check visitor access separately from service times. Keep the visit quiet and dress appropriately for a working place of worship. Frescoes and chapels may have different admission arrangements from the main church.
Allow for uneven paving, slopes and exposed sections. Bring water and choose a cooler part of the day in hot weather. Check gates and return transport; an outdoor site is not necessarily open at all hours.

Where to go next
