Why stop here

Romanesque architecture for a focused church visit.

A useful visit

Check visitor access separately from service times. Keep the visit quiet and dress appropriately for a working place of worship. Frescoes and chapels may have different admission arrangements from the main church.
Plan the journey from the historic centre as a separate part of your visit, including the return uphill where relevant. Do not rely on an unconfirmed taxi or bus. Leave daylight for the return and check the route before setting off.
