Why stop here

Civic art and a tower climb; check access before booking.

A useful visit

Choose the collection or exhibition that interests you most and allow time to read the displays. Check closing days, last admission and whether temporary exhibitions need a separate ticket. Confirm step-free access directly if you need it.
Decide whether the climb fits your day before buying tickets. Check stairs, age or access restrictions and weather-related closures with the operator. Visiting the surrounding square is still worthwhile if you skip the climb.
