Coffee & sweet pauses

Accademia Chigiana

Three different pauses: espresso, Sienese sweets and a palace courtyard café.

Check the chosen café’s hours and seating. These are alternatives along your day, not a tasting route that requires all three.

Coffee & sweet pauses

Why stop here

Choose the pause your day needs: Fiorella for a short coffee, Nannini for sweets, or ChigianArtCafé for a cultural setting and a longer stop.

A useful visit

Save one main choice and one nearby alternative. Place the pause between your longer visits.

What to consider

Menus and opening hours can change. Confirm allergens and table-service prices directly.
