An evening in Siena

Why stop here

Start with daylight in Orti de’ Tolomei, then return toward Via di Città and the Campo. ChigianArtCafé can provide a pause when its opening hours or music program match your evening.

A useful visit

Choose two stops and leave time to linger. Check dated events in the hub for an additional reason to stay.

What to consider

A garden stop belongs before darkness. Concerts are scheduled events, not a nightly guarantee, and Palio days need a different plan.

Your stops, in order

1. Orti de’ Tolomei

Olive trees and open views near Sant’Agostino.

2. ChigianArtCafé

A café stop in Palazzo Chigi Saracini, with art and a musical setting.

3. Piazza del Campo

Siena’s central square: civic history, people-watching and a natural starting point.
